

Why become a founding member of The *SMF Membership Scheme*?

Becoming a member of The Shaw Mind Foundation allows you to be directly involved in our work helping those struggling with mental illness across the UK. By becoming a member, you can help us provide schools in underprivileged areas with the resources, support and information they need to help children overcome their illnesses and thrive in their communities.

We also think it's really important to know that if you help us, we want to give something back to you too. Your membership will grant you early access to news and information about events we are hosting, new campaigns and information about upcoming *Trigger Publishing* books. You will also be eligible to receive training and education materials within our training programme.

As this is a new scheme, we are currently looking for founding members. To become a founding member, you must be one of the first 50 people to sign up!

We are offering the first 50* individuals who sign up before 14TH February and pledge a minimum of £10 per month the opportunity to receive *ALL* the above benefits, *PLUS* the opportunity to have your say on any projects, ideas or campaigns, as well as being open to your own ideas to help grow the charity. This is a fantastic opportunity for you to help shape the future of our organisation and better the current mental health services available for people across the UK.

You will also be entitled to 10% off all our ticketed events (including our Summer and Winter Balls), 20% off books published by Trigger, and receive an exclusive gold membership card.

Where could £10 a month go?

Our foundation relies solely on the generosity of the public, and without your kindness we can't run any of our projects or support those who need it the most. Your £10 a month will be the difference between us being able to provide resources and information to people who need it, or them going without.

£10 per month is less than one coffee per week, but that £10 can provide a school with information packs on how to deal with mental illness, where to go to seek help if they need it, and how they can support someone who is struggling.

£10 could go towards funding our *Bringing Back The Sunshine Project* (launching 2019) and help us to help the children who are struggling as a result of their parents' mental illness.

Just £10 per month will change the lives of thousands of children across the UK who are dealing with mental illness.

SIGN UP NOW and become a Founding Member
To sign up, go to: bit.ly/SMFmember

*Members are signed up on a first come, first served basis. We cannot guarantee that you will become a Founding Member, and will let you know as soon as possible via email if you are one of the first 50
